YOUR PARTY HOST - **SPRINGFIELD ZUMBA & FITNESS**

Allie DePaulo and Cindy Thoroski of Springfield Zumba and Fitness are so pleased to host Springfield's first Zumba Fundraiser - Rockin' 80s Party for ALS. We are part of an amazing community and are thrilled to be able to serve the R.M of Springfield with dance inspired fitness programs that get people moving, laughing, sweating and smiling!

This event means a lot to us since both of our families have been deeply affected by ALS and motor neuron disease. We never take a single day of active living for granted and hope that by "dancing for those who can't" we can raise funds for The ALS Society of Manitoba and bring greater hope and support to Manitobans living with ALS and other motor neuron diseases.

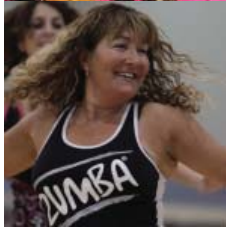

Thank you ALL for your support in coming out to this event, shaking your booty and making a difference for a cause that is so important to so many. For more info on this worthy cause: visit www.alsmb.ca
